## Interesting Programs At Woodward Memorial Library

The Buffalo Museum of Science presented a "Big Top" Science program at the Woodward Memorial Library on July 23. Pictured is a science experiment to see how many children would fit into this Hoberman Sphere. The answer, 13!

Beaver Meadow Audubon Center in North Java brought a variety of cold-blooded critters to the Woodward Memorial Library on July 24. Pictured is a wood turtle. The children looked at and learned about snakes, toads, bull frogs, and a salamander.

# LeRotary Notes

A noon time shower couldn't dampen the weekly meeting at the Greens of LeRoy, Wednesday. Braving the rain along with our members were several guests. Joining us today were: Carol Wolfe's granddaughter Catherine Lee, Christine Gephart's son Alex and the Honorable Charles Dusen husband of June Dusen.

This week's announcements included: June reported that the LeRoy Historical Society will be holding a Euchre Night on September 20th. President Randy told us that there are plenty of opportunities for weekly programs and that the Area 14 Christmas Party is scheduled for January 2nd and Martha reminded everyone of the upcoming YWCA Wheels on Heels event. Tracy Ford gave the Club the report on another successful year at the Oatka Festival hot dog stand, also reporting that co-chairperson Scott McCumiskey will be next year's chairperson.

Lynn Freeman, David Grayson and Tim Moag were asked about their missed meetings, and only Tim had the use a green card.

This week's fining session was the result top notch investigative work by President Randy at this year's Oatka Festival. Sam Vagg and Lauren Humphrey were fined \$5.00 each for their superb work as new Festival Committee members. Sam Vagg was fined an additional \$5.00 for being asked to "work the street" during

the parade. Tracy Ford was fined \$5.00 for borrowing money from Bob Carlson to feed her jewelry obsession with festival vendors. Tom McGinnis paid dearly for catching a nap during this year's fishing derby, the night after his 50-year Class Reunion with a \$5.00 fine. Bob Carlsen didn't quite get out of his recent traffic stop, the police officer said he "couldn't ticket an 82 year old" President Randy had no trouble though citing him for a \$5.00 just the same.

This week's program was an information filed presentation given by Bruce Baker on the Heroin Epidemic in Our Country. The talk covered every aspect of the opiate. Bruce went into detail defining the drug, giving a complete history of use along with the current state of addiction and chronic use of the narcotic. Thank you Bruce, for sharing your knowledge and research. Like us on Facebook at "Rotary Club of LeRoy"

## Town Supervisor Column

### AROUND TOWN

by **Stephen R. Barbeau**  
Supervisor, Town of LeRoy  
(585)768-6910 x 231

I am very pleased to announce the formal creation of Water District #10. After a decade of work by many residents of the LeRoy-East Bethany/Wescott/Cole (west) Rd. area (NYS municipal law requires this to be a grassroots endeavor) to improve their water quality and quantity, the Town Board was able to facilitate this to successful completion!

I am also pleased to announce the final adoption of a newly updated and revised Town Code. For the first time since 2001, our new code book is updated to include local laws passed since then, updated revisions to general NYS Municipal Law, standardizes language, and eliminates outdated information. Even more exciting, residents will now be able to access the entire code on-line by going to General Code Publisher's (our contractor) web site (generalcode.com – a link on the Town web site forthcoming). Click on eCode360, then NYS, then scroll down to Town of LeRoy (one note, Chapter A179 is still under review). Thank you to the Planning Board, Chairman Dawley, CEO Steinbrenner for their assistance on this project.

Speaking of code, the Board has been petitioned by a group of residents to amend our current Noise Local Law (Chapter 105). Currently, there is a 9:00 PM "curfew" for conducting construction-type activities, operating power equipment (e.g., mowing the lawn), and other "unnecessary" noise activities that might disrupt neighbors. Their request is to move this PM time to 11:00 and their request is supported by the Planning Board's recommendation (note: the Village time in their code is 11:00 PM). If you wish to comment on this proposal, please contact a Town Board member or attend the public hearing on August 28 at 7:00 PM.

LeRoy Ambulance has also approached the Town Board. In sum, this service will no longer be able to sustain itself more than another year or two and needs substantial governmental

subsidies to continue. LeRoy Ambulance, servicing only the Village and Town of LeRoy, maintains a 24/7/365 presence (one crew and vehicle available at all times), with a totally paid staff of about twenty-six, and a response time of 4-8 minutes. Due to labor costs, increasing fuel and equipment costs, and a huge decrease in government Medicare/Medicaid reimbursements (a large percentage of our ambulance calls), the revenues are no longer there. The County's Mercy EMS service does provide backup service when LeRoy Ambulance is on another call but the average response time to LeRoy then increases to about 17 minutes. At present, it is estimated the initial year's subsidy request (\$60,000) would add about 16 cents per thousand of assessed property value to the tax rate. The current tax rate of .90 would move to \$1.06 (just for ambulance- about \$16.00 increase for a \$100,000 home).

The Town Board will be grappling with the following questions: Should the Town (Village) begin to subsidize LeRoy Ambulance? If not, will Mercy EMS be able to fill the void adequately? If so (subsidize), what is the best method to do so (create a "district" or straight budget line item)? How will LeRoy be impacted by the State's tax cap (and now, tax freeze) legislation?

Finally, LeRoy Business Council is sponsoring LeRoy Community Night at Dwyer Stadium on August 8 at 7:00 pm. Our Muckdogs play the New York Yankees affiliate from Staten Island, our champion Little League teams will be recognized, there are fireworks after the game, and a number of our merchants have graciously donated gift certificates for drawings between innings. Reduced price tickets (\$5.50- cash only) are available at the Town Hall, LeRoy Federal Credit Union, Five Star Bank, and Tompkins Bank of Castile. Come join the fun, support community baseball, and support our local merchants.

Thank you and see you Around Town (and at the ballgame)!

## Notes From The Mayor's Office

by Greg "Porp" Rogers, Mayor

With the Oatkafest and all the festivities that go with it in the past, it is time to get some work done around the Village, but I would like to extend one last thank you to all who put together the whole weekend and to Lynne and Shelley for the years serving on this project. The Chief of Police also reported no festival related incidences last weekend, which is nice.

Our sidewalk project should go out to bid next week with the intension of getting the work completed by this years end, we will try to make the construction as easy to deal with as possible, and not change Halloween this year.

Our first decorative street light is now up in front of the Post Office, please reach out to a board member and tell them what you think. The board's plan is to put money into sidewalks and lights on Main St. to try to drive some momentum into our community, the money would come from fund balances and have little impact on the current tax rate, obviously we will exhaust all grant possibilities for this project.

The Board spearheaded by Bill Kettle is looking into a tax abatement program to assist Main St. second story and distressed properties, we will be exploring a broader plan to encompass more, details to follow, but the intent is to clean up our community and position ourselves for long term growth.

If you remember last year we had our sanitary sewer system smoke tested. The company has come back and begun to remedy the situation, many cracks and breaks where found that let ground what into the system costing our plant money and permit issues. Hopefully the work being done will show a significant impact at the plant during the thaws and heavy rain times. This has been a 40 year problem that we may finally making progress on.

Please try to shop locally. Every dollar you spend here will be spent at least 7 more times

"Politician and diaper should be changed regularly, and for the same reason" Mark Twain

**FALL SOCCER SKILLS DEVELOPMENT PROGRAM**  
 7/30/14

**COST:** Pending response received and number of volunteers. There are no uniforms or scheduled games. Cost is kept to a minimum; \$25.00 registration fee till August 30th after August 30th it will be \$30.00 (need time to organize and determine coaching staff).

**AGE:** Considering grades K thru 6, pending response and the number of volunteers. This will be a first come basis based upon the number of volunteer coaches. The number of players will be limited to the following:  
 - K & 1st grade 12 players (per coach)  
 - 2nd & 3rd grade 12 players (per coach)  
 - 4th, 5th & 6th grade 15 players. (per coach)  
 We will refund everyone and not have the program if we cannot find enough volunteers.

**DATE/TIME:** Estimating a start date of Monday September 8th and ending October 15th or 22nd (6-7 weeks); weather pending. Monday & Wednesday evenings, start times may vary as the season progresses; start at 6:00 p.m. to 7:30 p.m., as daylight permits. Coaches may start earlier if there schedule permits and the parents agree.

**COACHES:** If more than 12-15 kids are signed up; we would also need assistant coaches and coaches for the different ages. Considering Global Premier Coaches.

**LOCATION:** Calvary Baptist Church Fields near the corner of West Bergen Rd. and Rte 19.

**SKILLS:** This development program is to promote soccer abilities against other appropriate age/gender players. Soccer skills will be worked on/developed, to include: Dribbling – control/speed; Shooting – accuracy/power; and Juggling.

# The Day The Mini Coopers Come To LeRoy August 8th

by Lynne Belluscio

The note was on my chair. “A man wants to know if the Mini Cooper Cross Country Road Rally can stop at the Jell-O Gallery. He says there will be 350 Mini Coopers and wants to know if there is enough parking.” Before I gave it much thought I called Roger back and said, “We’ll find the parking. We certainly want to welcome you to the Jell-O Gallery.”

What I learned was that the Mini Coopers will be arriving on the morning of Friday, August 8. They will only be in LeRoy about an hour. They are leaving Buffalo about 9 am and will be arriving in LeRoy about 10 am and they will check in and then leave for the Finger Lakes, finally arriving in Bethlehem, Pennsylvania for the night.

The next day, they will leave Bethlehem for their final stop in Boston. These cross-country Mini Cooper Rallies have been going on for several years. This year the group will leave San Francisco on July 26 and will stop in Reno, Nevada the next night. Then it’s on to Wendover, Utah, Grand Junction, Colorado, Albuquerque, New Mexico, Lubbock, Texas and Austin.

On August 2 the Mini Coopers will arrive in Dallas, the next

night in Memphis, on to St. Louis and Chicago. On August 6 they visit the Rock and Roll Hall of Fame in Cleveland and then drive to Buffalo.

Roger told me that they like to visit interesting sites along the way, and what could be more interesting in Western New York than the Jell-O Museum? Early the next morning I called Chris Heyward, Chief of Police and told him my story. Chris told me “No problem. We can do that!” He will make sure that 350 Mini Coopers will be able to get into LeRoy and back out again.

A day later, I told the folks at the Rotary meeting about August the 8th and Kim Cox, Superintendent of LeRoy Central School told me that they could help out with parking behind the Auditorium off Trigon Park. We’ll be putting up some welcome tents on Trigon Park with some Jell-O exhibits because it will be impossible for 500 to 750 people to get in and out of the museum in an hour.

I have never been in a Mini Cooper, so while I was having my brakes worked on at Bob Adams’ Automotive I asked him if he still had the little silver Mini Cooper for sale. Sure enough, it’s still for sale, and for a nano second I thought it might be fun to have it for a second car, but I have to admit, it’s like sitting on the road, and I really like my Tundra truck.

Mini Coopers were the English competition of the German Volkswagen. They were designed by Sir Alec Issengous and manufactured by the British Motor Company. The radical design with a front wheel drive made them roomy on the inside and in 1999, they were voted the second most influential car of

the twentieth century – second to the Model T Ford.

They were introduced in 1959, after the 1956 gas shortage of the Suez Canal Crisis. The Mini Cooper won the Monte Carlo Rally four times between 1964 and 1967. I read that one of the design features was the sliding glass windows in the hollow doors, that were sized to accommodate one bottle of Gordon’s Gin. Eventually, John Cooper, a friend of the designer and owner of the Cooper Car Company, collaborated to create the Mini Cooper. For a while they did not meet the safety regulations in the United States, but that has changed. Today, the Mini Cooper is part of the BMW Company.

Of course, since I learned of the Mini Cooper Rally,

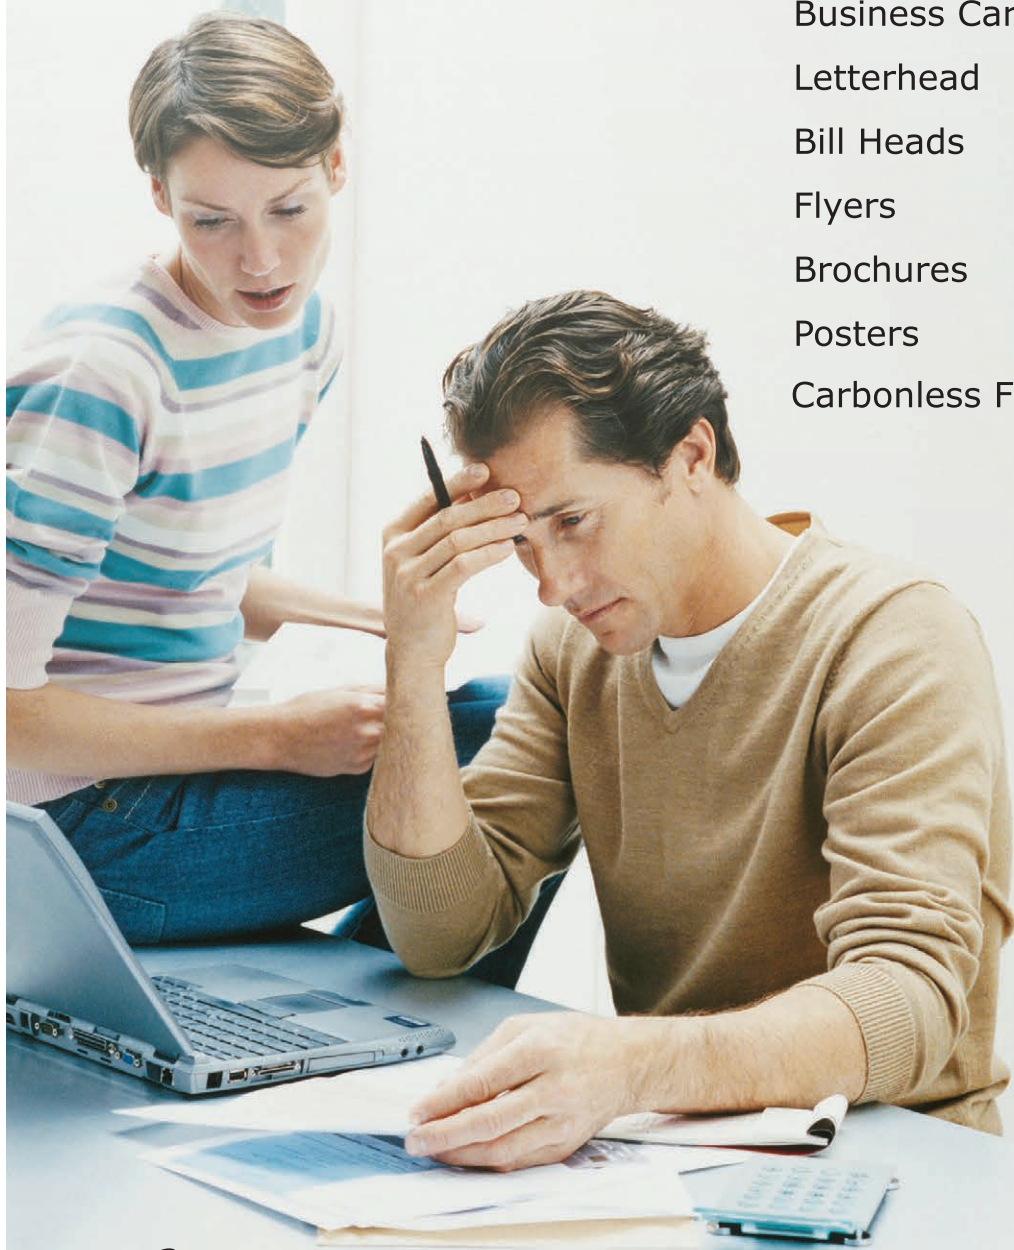

the New York State Department of Transportation has announced that they will be resurfacing Route 5 so I am not sure what will happen now. And it’s going to rain for ten days, and the parking behind the school off Trigon Park may have to be changed because it will be too muddy. So Chief Haywood has put together “Plan B” and “Plan C” just in case. But if you’re not doing anything on Friday morning, you just might want to come down to Main Street and see the Mini Coopers. It should be a sight you’ll never see again!

# LeRoy Town & Country Garden Club At Their Progressive Dinner

It was a lovely evening as we strolled through our hostess's gardens. The members enjoyed relaxing together after a couple of busy months. We've been working on the 4 main entrances to LeRoy, Main Street planters, Post Office boxes, gardens at the Statue of Liberty, the gazebo on the creek bank and the planter in front of the Wolcott Street School with the help of three 1st grade students.

Anyone interested in more information about the LeRoy Garden Club should contact Ann Walters at 737-9481 or 768-8130.

Pictured above are the LeRoy Town & Country Garden Club members enjoying their Progressive Dinner on Wednesday, July 11th. It was held at the homes of Betty Gugino, Sue Dambra, and Nancy Baker. Appetizers and dessert were provided by the members and the main course/entrée was provided by the D&R Depot.

## **“Rotary EarlyAct Program Now Available at Wolcott Street School & St. Joes”**

EarlyAct is a school-wide service club for elementary students from ages 5 to 13. The mission is to promote goodwill, understanding and peace through the active participation of its student members so that with committed citizenship and effective leadership they may improve the quality of life of their school, local and global communities. EarlyAct teaches caring, respect, empathy, responsibility, tolerance, citizenship, compassion, friendship and leadership.

The WSS & St. Joe's EarlyAct Programs have goals to assist in community services projects, establish relationships with our elderly population, provide fun & safe activities for the youth in our community, and learn about different cultures & customs.

**WSS EarlyAct meets on the 4th Tuesday of every month while school is in session. Meetings are 3:15-4:00 pm in the school cafeteria.** We will also have an fun activity or community service event every month. Advisors for The EarlyAct Program are Jon Wilson, Christine Gephart, and Tamara Torrey.

**Pictured: WSS EarlyAct Board**  
From Left to Right: Front Row: Brock Flint, Will Eschberger; Back Row: Quinn Kacur, Courtney Kacur, Ally Flint, Ava Gephart.

**If you are interested in learning more about the WSS EarlyAct Program, please contact Christine Gephart at [cgehartpp@yahoo.com](mailto:cgehartpp@yahoo.com). For more information on The St. Joe's Early Act Program please contact Steve Zocco at [zoc65@yahoo.com](mailto:zoc65@yahoo.com).**

# Fulmer Retiring As President Of Tompkins Bank Of Castile

After 26 years as president and CEO of Tompkins Bank of Castile, James W. Fulmer is retiring as President at the end of this year, but will remain as chairman of the bank's Board of Directors, said Stephen S. Romaine, president and CEO of Tompkins Financial Corporation, the bank's parent company.

Fulmer will retain several other corporate roles, including vice chairman of the Tompkins Financial Board of Directors, chairman of the board of Tompkins Insurance Agencies, and member of the boards of Tompkins Financial Advisors, Tompkins Mahopac Bank and Tompkins VIST Bank, all affiliates of Tompkins Financial Corp.

Valley Insurance Agencies of Williamsville, the United Memorial Medical Center of Batavia, and is Vice Chairman of WXXI Public Broadcasting Council of Rochester.

Fulmer is active in a variety of professional organizations, including the Board of Directors of the Federal Home Loan Bank of New York and was recently appointed to the Federal Reserve Bank of New York Community Depository Advisory Council. He actively serves as a member of the Board of Directors of Erie and Niagara Insurance Association of Williamsville, Cherry

He and his wife, Marjorie, live in LeRoy. They have three grown children.

The company Board of Directors has named John M. McKenna president and CEO to succeed Fulmer. McKenna has been a senior vice president at Tompkins Bank of Castile for five years, concentrating in commercial lending.

# Police Reports

07/24/2014

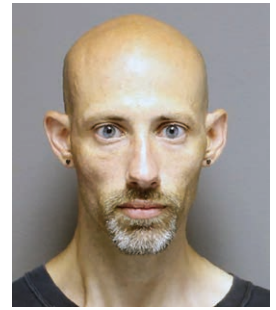

1) An investigation into an alleged assault which occurred in January of 2013 resulted in the arrest of a LeRoy native living in the City of Rochester. 29 year old Kenneth G. Smith III of lka 911 Lake Avenue Rochester NY was arrested by the LeRoy Police Department on 7/23/2014 and charged with one count each of the Felonies of Criminal Possession of a Weapon in the Third Degree, a Class-D Felony and Assault in the First Degree, a Class-B Felony.

It is alleged that on or about 01/10/2013, smith was involved in an altercation in an apartment on Main Street in the Village of LeRoy when Smith possessed a dangerous instrument in the form of a glass item with intent to use against another (while having a prior criminal conviction). Smith then allegedly used said glass item to strike the victim numerous times about the face causing permanent facial disfigurement/scarring.

Smith was arraigned before the Hon. D. Sehm of the LeRoy Town Court and Released Under the Supervision of the Genesee Justice Program.

2) 37 year old Michael J. Stack Jr. of 7450 Randall Road, LeRoy was arrested by the LeRoy Police Department on 7/23/2014 and charged with two counts of the Felony of Criminal Sexual Act in the First Degree, a Class-B Felony. It is alleged that on 07/23/2014, While in an apartment on East Main Street in the Village of LeRoy, Stack engaged in Oral Sexual Contact with the Victim while the Victim was incapable of consent by the reason of being physically helpless and by forcible compulsion. The charges stem from an allegation by the Victim alleging that the Victim was sleeping and awoke to stack kneeling over the Victim having oral sexual contact with the Victim.

Stack was arraigned before the Hon. D. Sehm and committed to the Genesee County Jail in lieu of \$5,000 bail.

## Fire Department Treasurer Arrested For Stealing Public Funds

New York State Comptroller Thomas P. DiNapoli today announced the arrest of Dennis Snow, the treasurer of the LeRoy Fire Department in Genesee County. Snow was charged with two counts of grand larceny in the third degree (class D felony), 42 counts of forgery in the first degree (class C felony) and two counts of falsifying business records in the first degree (class E felony) for allegedly stealing nearly \$50,000 in public funds.
