

# Thank You

## The Family Of FRANK RUBINO

would like to thank all of our family, friends and neighbors for the gifts of money, food, cards, prayers and support during this very difficult time.

Frank was a wonderful person who was always there for everyone. The past year has been very hard for him, but he never gave up and always had his beautiful smile. We will miss him terribly.

A very special thank you to Claudette, Barb, Linda & Lenny for the great care and for always being there when we needed help. To United Memorial 2nd floor for their comfort and care.

To Vern Falcone, Steve Vernaccini, Father Ken, American Legion & U.S. Army Honor Guards for a wonderful service that we will remember forever.

And finally, to my D&R Depot family for all their help and support during Frank's illness, passing and all of our many customers for their prayers and kind words.

## Local Church Celebrates Annual Homecoming Sunday With a Very Special Guest

Each year, on the third Sunday in October, the First Baptist Church of LeRoy hosts Homecoming Sunday, a worship service that celebrates its rich history of church as a home and congregation as family members. All former attendees, members or otherwise, are welcomed home for a return visit and time of Christian fellowship.

This year, the First Baptist Church, led by Pastor John Partise, used Homecoming Sunday as an opportunity to honor all those who have been a member of the church for 35 years or longer. Of the seventy-five members who fit in to this category, sixteen

of them joined with thirty-four other members of their extended church family for worship on Sunday, October 19, 2014.

Among those in attendance on Sunday morning was the church's oldest living and longest serving member, Mrs. Lois Thorne. Lois is a LeRoy native and is familiar to many as a former kindergarten teacher in the LeRoy Central School district. At 99-years-old and now residing in Greece, Lois has been a member of the church for 88 years whose homecoming visit on Sunday morning marked her first return trip to LeRoy in over ten years.

## Love Bugs Preschool's Spooky Spiders!

The Nursery friends at Love Bugs Preschool spent a day exploring spiders! They worked on their fine motor skills by making play dough spiders, clothespins spiders, and used scissors to cut out and make spider hats. They even worked as a group to weave a class web! What a hardworking group of spiders!
