Crocker's Ace Hardware would like to congratulate Eagle Scout candidate Grant Hertzler. Grant is pictured working on his Eagle Scout Project along with John Harvey (master carpenter) and fellow Scout Tyler Norton. Earlier this year Tyler made a presentation at a LeRoy Business Council meeting that was held in the new lumber building at Crocker's Ace Hardware. He explained his plan for a green space on the old Wiss Hotel lot. It would include grading and landscape with a wooden building hiding the electric service that powers the Community Christmas Tree. Crocker's helped supply lumber and building materials for the project. **Great job guys!**

LeRotary Notes

Notes from November 2, 2016

President David Grayson opened the meeting at 12:15 with the ringing of the bell, a rousing Pledge of Allegiance, followed by a happy birthday serenade for November birthdays, Lynn Belluscio and Tony Gugino. We welcomed guests, Le Roy seniors; Ryan Boyce, Ben Carmichael, Eric Risewick, and Perry Rotarian, Hans Kunze.

Announcements included reminders for the upcoming events, most notably the "Appliance Raffle" to be held on Sunday November 6th. Bob Bennett reminded Rotarians to sell any remaining tickets and to check the work schedule for the day. Mary Margaret Ripley reminded all about the upcoming **Lasagna Dinner to be held on Saturday November 19th** at the Knights of Columbus building from 5:00-7:00 pm. Tickets will be available next week.

Another "shout-out" went out to the group to consider attending the Eastern Cities Dinner, held in the Rochester Convention Center on December 6th. Our International Rotary

President, John F. Germ will be in attendance. This is always wonderful night of fellowship and learning with Rotarians from all around the region.

After a spirited fining session, which included, President Grayson, for missing the introduction of guests, Christine Gephart began the program. Christine shared with the group that they level of poverty and hunger in the area continues to grow. For the last several years, many people came to rely on the free meal supplied once a week by "Grace's Kitchen". With the closing of Grace's Kitchen, the community now has a void. Is there something that the Rotary Club of Le Roy could do to fill this gap? This is a discussion that will continue within the club for the next few weeks.

The meeting ended with the ringing of the bell and the traditional raffle. For more information about Rotary please visit our website at www.leroyrotary.org, Leroy Rotary on Facebook, or email us at leroyrotary@yahoo.com.

Candlelight Tours of LeRoy House

December 3 & 4

The popular Christmas Candlelight Tours of LeRoy House are scheduled for Saturday, December 3 and Sunday, December 4 during the Winterfest Weekend. There will be two tours each day at 4 and 7 pm. Advance tickets are suggested. Tickets can be purchased for \$5 apiece and \$3.50 for students at the Jell-O Gallery between 10 and 4 Monday through Saturday (1 and 4 on Sunday) or by calling 768-7433. There are 40 tickets for each performance.

If you remember, last year, Mr. McCarthy, Jacob LeRoy's Irish gardener, sat in the rocking chair in the 1835 kitchen by the fireplace, and read "A Visit from Saint

Nicholas" much to the delight of everyone, young and old. The children loved the poem last year, so it has become a tradition. Mr. McCarthy needs to keep his voice clear and strong, with a little help of sipping some of Mrs. Wadsworth's lemon liquor. The cook has made some of Mrs. LeRoy's sweet Dutch poffertjes to pass around. You won't want to miss this part of the tour!

In the upstairs front parlor, some of the parlor games are set up for everyone to enjoy while in the back parlor, everyone is gathered around the piano, getting ready to go through town singing Christmas carols.

In the upstairs kitchen,

MEET THE GHOSTS OF LEROY HOUSE AND HEAR THEIR STORIES

you can share the story of one of LeRoy's Italian families. The war is raging in Europe and one of the boys is home on leave for Christmas. And even though there is sugar rationing, one of the women works at the Jell-O and has brought home enough sugar to make the fig cookies. And in the oven is a roaster filled with home-made sausage. After midnight Mass, everyone will return for sausage with fresh Italian bread. Someone will roast some chestnuts and the men will sit around the table and play cards, sipping some home-made wine. The music box is playing Ave Maria.

Traditionally we celebrate Christmas with food and music. While doing a little research about the music, I wondered about the origins of "Ave Maria," and learned that the music (not the words) was originally written by Schubert in 1825 as part of his Opus 52 that included

seven songs based on Walter Scott's epic poem, Lady of the Lake. Schubert entitled it "Ellen's Third Song." Franz Liszt arranged three different versions for piano. The words were originally written in German. What most of us know, is the version written in Latin, which has been recorded and sung by many singers, under the title of "Ave Maria." Surprisingly, Walt Disney included some of the music in the 1940 movie "Fantasia."

We hope you will plan to join us for one of these special tours. They last a little over an hour, and are appropriate for families. This the fourth year that we have offered these candlelight tours. Each year there is a different theme, so don't wait until the last minute to get your tickets. The refreshments are delicious. LeRoy House will be decorated for the holidays, and even if it's cold outside, it will be warm inside.

Superintendent's Column

by **Kim M. Cox,**
Superintendent of Schools

Happy November! It's hard to believe that we are approaching the holiday season. It has been an exciting fall with extraordinary sports seasons and academic programs. Thanks to all of you who have celebrated our students by attending contests, meetings, and conferences. Your ongoing support is critical to the continued success in all aspects of our students' educational journey.

Our staff is also continuing their educational journey. This year we are focusing on honing our skills in Professional Learning Committees or "PLCs." We also refer to these as Data Meetings. This new structure facilitates a rich dialogue between staff regarding curriculum, instruction, and instructional practices. Guiding questions focus on "what's working," "what are immediate concerns," "what are possible solutions," and "what actions will we take as a group?"

Teachers are also engaged in several action research

projects that focus on how to best meet our students' ever-changing needs. This practice is the basis of continuous improvement and models lifelong learning, one of the Le Roy Central School District graduation outcomes. It is a powerful way of working together to impact the practice of schooling for all!

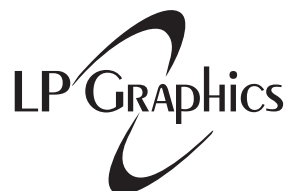

Our Wolcott Street School Fitness Center is up and running. It has been great to see many community members using the facilities. Just a reminder, the hours are: Monday and Wednesday from 6:00 a.m.-8:00 a.m., and Tuesday and Thursday from 5:00 p.m.-8:00 p.m. For more information contact us at wssfitness@leroycsd.org or call 768-7115, x-1109.

Work continues on **The R.I.T.E Project.** We are pleased that our Wolcott Street School Memorial Auditorium updates are completed and it looks beautiful. We are especially excited about the new lighting and sound systems that have been installed. You will be able

to experience this firsthand when you attend one of the many upcoming concerts and programs. Our kitchen updates are also 95% complete. We are operational, but are still adjusting some electrical and equipment needs within the kitchen itself. At the Jr.-Sr High School, the tennis courts are completed and have already been used for physical education classes. As the weather changes, however, the nets will come down until spring. The student common areas are nearing completion, as is the lighting in the cafeteria. The next big piece of the project includes the completion of the new Library/Media Center in the Wolcott Street School and the new Special Education Office. Both should be nearing completion by late January/early February.

In closing, on November 11th, honor all veterans on Veterans' Day. We thank you for your service and sacrifices that have allowed us to enjoy the many freedoms of this great country. We are forever grateful!
