Message from the Superintendent

Public education and central school districts are ever-changing institutions. They are highly complex organizations that take collaboration between Boards of Education, superintendents, administrators, staff and entire communities to be effective.

People often ask what does a school board do? School boards are comprised of dedicated men and women who find excitement and satisfaction in confronting tough challenges and working collegially to overcome them.

The New York State School Boards Association (NYSSBA) tells us that the board of education is a uniquely American institution. It keeps the country's public schools flexible and responsive to the needs of their local communities. A member of a board of education in New York State takes on one of the most important responsibilities that can be assigned to any citizen; helping to plan the education of the community's youth.

The job of the Board is to focus on the big ideas of the district - vision, goals, and policy. It deals with the concepts of What? Why? How Well? How Much? In other words, the

board oversees the education of students and is responsible for school district operations, but does not directly run the district's day-to-day operations, which is the responsibility of the superintendent and the administrative team.

One of the most important jobs of the school board is to hire the superintendent. The Le Roy Board of Education has been working diligently to select the district's next leader. This person will personify the goals and dreams of the board, district, and community. The board has engaged in a thoughtful process and research to ensure that decision is made in the best interests of the children they serve.

Serving on a board of education is a lot of hard work and an important responsibility but, as many board members can attest, it is extremely rewarding.

Please join me in thanking our Le Roy Central School District Board of Education members for their dedication and hard work for the children and community of Le Roy.

Kim Cox
Superintendent of Schools

Senator Ranzenhofer's Monthly Column: January, 2017

Top 5 Legislative Priorities for New Year Build Upon Progress

For decades, the State of New York was plagued by late state budgets, out-of-control spikes in spending, and skyrocketing property taxes. More recently, a number of steps have been taken to end these fiscally irresponsible practices, in an effort to make New York more affordable.

The start of a new year and a new session of the State Legislature is an opportunity to build upon this progress. That is why I am eager to get to work on my top legislative priorities for this year.

Bring ridesharing to Western New York. While transportation network companies, such as Uber and Lyft, are available to New York City residents, Upstate New Yorkers have been left behind. Thousands of res-

idents have joined me in urging Governor Cuomo and my Senate and Assembly colleagues to pass this legislation.

Provide real relief for small businesses. Over the past six years, 78 different tax cuts have saved taxpayers over \$11.3 billion. The manufacturing tax rate is at the lowest level since 1917, while the corporate tax has been reduced to rates not seen since 1968. Yet, New York still ranks at the bottom for business climate. In order to create jobs, there needs to be more focus on cutting taxes, as well as repealing burdensome and costly regulations for small businesses.

Enact a permanent state spending cap into law. Since 2010, six on-time budgets have restricted spending growth at or

below two percent, saving taxpayers a cumulative \$31 billion. A long-lasting limit on expenditures protects taxpayers by allowing them to keep more of their hard-earned dollars. Although the State Senate has passed this proposal, it still needs the approval of the State Assembly and Governor to become law.

Make the property tax cap permanent. First enacted in 2011, the property tax cap has stopped more than \$15 billion in tax increases for homeowners. Simply put, it is working. In 2015, it was extended for another five years. The property tax cap further protect taxpayers, and it should be made permanent.

No more pensions for convicted politicians. I have been advocating for an amendment to the

State Constitution that would strip pensions from elected officials convicted of corruption. Those who betray the trust should not be allowed to collect taxpayer-funded pensions. I voted to end the practice, and it passed the State Legislature in 2016. In order to amend the Constitution, the joint resolution has to be passed again this year, then approved by voters through a referendum.

From expanding ridesharing services to our region to chipping away at the tax burden, each one of these initiatives will help create a brighter and more prosperous future for residents in our community. I will be sure to keep you posted on my efforts.

LeRotary Notes

A lively crowd for lunch today with President elect Scott McCumiskey presiding.

Guests: High school seniors: Natalie Mistersaro, Kailey Gombos and Olivia Vescovi.

Announcements: Our annual Big Game TV raffle is Saturday, February 4th. The drawing will be held at the American Legion at approximately 4 pm. See any Rotarian for tickets. The Rotary high school Interact club is hosting a mom prom May 4th. More details to follow. There will also be a roller skating night on February 17th at the school. Adult volunteers are needed. We have a very vibrant Interact club and we will be sorry to see Kim Cox retire. If anyone can give some time during the day once a month to help out, we could use you.

Missed Meetings: Marcia McKenzie, Rob Murray, Scott McCumiskey. They were able to come up with some make-ups as well as green cards (cash). However, the Rochester Rotary Holiday Pops concert was stretching it a little....

Fines: Marcia paid for everyone that has MLK day off as a holiday and Samantha paid for an anonymous donation to the YWCA.

Program: Our own Bob Bennett came in with the program "Christopher Columbus". An ongoing joke in the club. He gave facts and fiction about Columbus, his ships and mental health. Then he fessed up what the real program is. Wearing a new hat, President of the LeRoy Business Council. The LBC is 30 years old and a nonprofit organization. A bunch of guys got together...Larry Reid, Bob Hinett, John Rider, Bob Bennett and Brian Kettle. They wanted to focus more on local issues, whereas the Chamber focused on the whole county. Over the years they have had a great relationship with the Chamber. Accomplishments you may not know about. Instrumental in the one way sign behind Dr Gugino's for safety reasons. The community Easter egg hunt has been run by the LBC for 23

years. They were able to get all businesses and organization to work together. The annual fishing derby that his held during the Oatka Festival is run by the LBC with involvement from businesses, organizations and the community. We have hosted information forums for the community about the ambulance and thruway exchange. When the DOT wanted to put two lanes from Tops to the LeRoy Country Club, the business council stepped in to let them know it was something the community no longer wanted. When the Village pool was destined to be filled in, The LBC along with a committee worked to raise funds and awareness to keep it open. Because of the LBC, LeRoy was the first village to have their own page in the tourism directory put out by the Chamber. These directories are distributed heavily outside our county. When tax payers didn't like their money being spent on fireworks for New Year's Eve, the business council took it over and with donations from the community and proceeds from our annual First Night Raffle; we are able to continue the fireworks each year. LBC helps support the Jell-O billboard on the thruway, administered Main Street Grants and is currently working with Steve Barbeau on the Steam shovel project. The LBC is made up of non-paid volunteers. To continue doing great things in our community we are always looking for more members. We are working on stronger committees, younger members, improving our social media and logo appeal. We meet the first Monday of the month at different locations. We are currently sending out a survey via email to past members and ask that you let us know how you feel. If you are interested in joining the LBC, contact Bob Bennett at 585-356-2719.

The Rotary Club of LeRoy: Like us on Facebook and visit our website www.leroyrotary.org. We meet every Wednesday 12:15 at the Greens of LeRoy. Service Above Self.

I Don't Know

admit, "I don't know. I can't find anything." We have file drawers filled with information and hundreds of books, and shelves with boxes of archival material, and you'd think that somewhere there would be a clue to a question. But sometimes you come up empty handed. People are looking for information about their ancestors, or their grandparents. They want to know when their house was built or what it looked like when the porch was on it. Others want to know if their house is haunted. "I don't know." Sometimes people want to know how much something is worth – an old Jell-O book – a family heirloom. Even if I have an idea of how much it might be worth, it is not ethical for me to say. I am not a qualified appraiser so "I don't know" is the right answer.

It's important to understand that it's better to say "I don't know" than to make up an answer. I tell that to all the people who work at the museum - either in the LeRoy House or the Jell-O Gallery. I worked at another museum where there was a fellow, who took "educated guesses" to explain things he didn't know about. But he didn't say that he didn't know the answer, or that he was mak-

ing an educated guess. He just made up answers as he went along. So I've always given people permission to say "I don't know." You don't need to know all the answers.

So the question is - ---- "Why aren't you a member of the Historical Society?" You like to read all the articles in the Pennsaver. You are glad the Historical Society offers programs for students at the Wolcott Street School. Although it's been a while since you've stepped foot inside LeRoy House, you're glad the Historical Society is taking care of it. You even enjoy stopping by the Historical Society tent at the Oatka Festival to play some games or to buy a Jell-O t-shirt. So, "I don't know" isn't the right answer to that question. This week, you have a chance to change all of that. Become a member. It's not expensive. It's easy. You receive four newsletters each year, with interesting history articles. We even give you a couple of free passes to give to your friends or family. And at no additional cost – a discount coupon for purchases in the gift shop. What a deal!! In the meantime, I'll keep looking for the answers to all the other questions.

It's hard to admit that you don't know. Especially if it's your job to know. I've been doing this history business for quite a long time, and I've learned a lot. I'm always fascinated with all the LeRoy history. Jell-O, Ingham University, stringless beans, Lapp insulators, salt, - - the list is pretty long. LeRoy has some interesting people – Captain Ganson, Charles Wilbor; Jacob and Charlotte LeRoy, Emily and Marietta Ingham, Calvin Keeney, Pearle Wait, Orator Woodward. I have written about all this fascinating stuff each week in the Pennsaver. But for all the stuff I have learned, there's a lot I still don't know. How come I have never found a bottle of Zowie - - the beverage made by Jell-O? How did Pearle Wait pronounce his first name? Why did Jacob LeRoy move back to New York City and what happened to him? What really happened to the airplane, the Friendship, after Donald Woodward sold it?

Why can't we find any art done by Phineas Staunton's sister, who was the first art teacher at Ingham University? Where is the key to the Lampson vault? Why does the west wall of LeRoy House go up and down? What happened to Daniel McDonald, the conductor on the Underground Railroad? Why is the front door of LeRoy House centered on the outside, but not on the inside? Why don't we know what Charlotte LeRoy looked like? What did Jacob LeRoy and his brother-in-law, Daniel Webster talk about? Was Caroline LeRoy really as unattractive as people thought? Why don't they make Jell-O 1-2-3 anymore? Is the millstone in the back yard really from the old LeRoy mill? When did people start calling LeRoy LeeRoy? Am I the only one who really cares?

It is frustrating when someone comes in to do research, and after looking through the files, you have to

OBITUARIES

LEROY, OREGON- David Fiorito, formally of LeRoy, passed away on January 3, 2017. He was the son of John and Minnie Fiorito of LeRoy. He was predeceased by his brother Edward. A mass for David will be February 26, 2017 at our Lady of Mercy Church at 8:30 am.

LEROY - Lynette C. "Scottie" Graham, age 78, of Griswold Circle, passed away peacefully at home on Sunday morning (January 15, 2017) in the loving presence of her family.

She was born April 25, 1938 in Glasgow, Scotland, a daughter of the late John and Christina Brock Laughlin.

Scottie traveled to America in 1952 by herself, as a 12 year old aboard the ocean liner, Mauretania, to live with her sister, Helen and brother-in-law, Richard Ladd. Her sister, Helen, who had been in America for a few years with Richard, a WWII soldier, that she met and married in Scotland, had arrived here in 1948 as a war bride. They paid Scottie's passage here to give her a chance at a better life in America.

She first lived with them in Batavia and then they moved to LeRoy, where she has resided ever since. She graduated from LeRoy Central School in 1956. This is where she got the nickname "Scottie". She also met her future husband, David Graham, here as well. She became an American citizen in 1961 before she was married. She and David married on October 14, 1961 and celebrated their 55th anniversary this past October.

In 1988, Scottie began her career at the LeRoy Village Green Nursing Home. She never dreamed she would be there for 29 years. She was an Angel to so many patients that were on the same journey that she has now gone through. Lynette believed that we have many angels amongst us and in the final days of our lives, they are present to guide us peacefully home to our Lord.

She will be sadly missed by her loving and devoted husband, David; daughter and son-in-law, Sarah and Mark Tomaszewski; granddaughters, Conor Rose Tomaszewski and Krysta Graham Tomaszewski; sister, Helen L. Ladd; brother-in-law and sister-in-law, Jack and Marty Graham, "grand-dog", Harley Tomaszewski, along with many nieces and nephews.

In addition to her parents, she was predeceased by her siblings, Catherine Cavanaugh, Christina Campbell, Isabelle Laughlin and Hugh Laughlin; in-laws, John and Isabelle Graham; brother-in-law, Richard Ladd and sister-in-law, Nancy Graham Grayson Heath.

A special thank you to mom's niece, Leslie, for staying by mom's side and the family's.

The family also wants to thank the Homecare & Hospice people for all their wonderful care to both Scottie and her family.

There will be No Prior Calling Hours. Graveside services will be announced at a later date in the spring.

Contributions can be made to the LeRoy Village Green Nursing Home, 10 Munson Street, LeRoy, NY 14482, where a fund has been established to construct a special garden area for the residents in memory of Scottie.
